

2017 Issaquah Farmers Market Non-Profit Frequently Asked Questions

Do I need to fill out an application?

Yes, we ask that non-profits fill the 2017 Non-Profit Vendor Application. You can find our application in this document and on our website at: www.issaquahwa.gov/market under the 'non-profits' section. You will need to send in PROOF of your 501c3 non-profit status with your application in order to be considered.

Which check box best describes the activities at my booth?

Non-profit advertising means informational advertising only at your booth -- activities like talking to shoppers, handing out fliers and other informational materials, etc. You can accept donations but no formal fundraising activities are allowed. There is no fee to participate in this category.

Non-profit fundraising means you want to sell hand-made items to fundraise for your organization. If selling items, you would need to provide additional signage as well state where your proceeds are going to. The items you sell need to be handmade and *bake sales are not allowed*. To participate in this category, you must pay the annual \$45 membership fee, and then the \$35 booth fee each day you attend. See the application for more information.

How often can I attend?

We allow our non-profits to only attend **five times per season**, May - September, so you can attend more than once during the same month if you would like, but only five times total. We only allow 3 non-profit booths per market and dates are scheduled on a first come, first serve basis. We try to confirm dates with non-profits immediately after applications are approved, to ensure you have the greatest chance of obtaining desired dates. After a date has been selected and approved, we will send you a confirmation letter to keep for your records.

What are the basic logistics for the market day?

Our market hours are 9 am-2 pm on Saturdays (from May 6th – September 30th). Non-profits are given a 10x10 spot in the Picnic Garden located on the North side of the Hay Barn. The ground in this area is gravel. You need to bring your own tables, chairs, sign/banner to hang at your spot, and information brochures, etc. You may want to bring a tent as well to shade/protect yourself from the elements. *We do not have any tents to borrow/rent*. If you do not have a tent, then let us know, and we can make arrangements to give you a spot inside our Lobby instead (this space will be smaller and is limited and needs to be pre-arranged). Set up for our non-profits is between 7:30 - 8:30 am. We do require that someone be present at your booth during market hours from 9 am-2 pm. Clean up is between 2-2:45 pm.

Where do I park the day I attend?

For unloading only, you can park in the marked '15-minute' parking spots along 10th Ave. Then you will need to move your car to our 'vendor parking' which is located in the parking garage on the 2nd level. Please keep the 1st level and surface lot clear for shoppers.

2017 Issaquah Farmers Market CODE OF CONDUCT

Adopted January 2011

Code applies to all vendors, non-profits, their workers, agents, guests, volunteers, family or anyone assisting a vendor in any manner.

1. Practice patience and understanding to customers, other vendors, and market staff
2. Demonstrate sensitivity to people of all ages, ethnicities and diversities; in accordance with RCW49.60.030 Freedom from Discrimination Law.
3. No wearing of or use of items that violate the anti-hate crime laws (including but not limited to wearing of t-shirts, stickers, posters, pamphlets, etc.)
4. Treat customers with courtesy, respect and honesty
5. Assist other vendors whenever possible
6. Treat other vendors and their property with respect and understanding
7. Treat market staff and volunteers with respect and understanding
8. Notify market staff immediately of any unsafe conditions or grievances
9. Resolve conflicts in an unobtrusive manner
10. Do not use or condone profanity or vulgarity towards any other person, either by actions or in any language
11. Do not bring dogs or other animals to the market
12. Vendor's children are their responsibility and must be under adult supervision at all times
13. No vendor may be under the influence of any drugs or alcohol while participating at the market; or use prescription or over-the-counter drugs that impair their ability to operate their booth in a safe manner.
14. All products offered for sale must be safe, have a decent life expectancy and exhibit quality of construction

The Market Manager or Representative of the Issaquah Farmers Market has the right to remove or deny from point of membership any vendor whose conduct is disruptive or harmful to the integrity of the market customers, staff and other vendors. **Disruptive or harmful behavior may be described as but is not limited to:**

- Repetitive no-show attendance without proper cancellation

Acts of such behavior may result in a warning, suspension or expulsion from the market of which decision is at the sole discretion of the City.

Warnings: Failure to abide by this Code of Conduct may result in verbal and/or written notices of improper behavior. Continued behavior may result in suspension or expulsion.

Suspensions: Failure to abide by this Code of Conduct may result in a written suspension from the market for an amount of time determined by the market staff dependent on the offense committed.

Expulsion: Failure to abide by this Code of Conduct may result in written expulsion from all further market participation.

Please cooperate with other Vendor's, the Market Managers, Market Staff, and the City of Issaquah to maintain the unique atmosphere and appeal of our market.

Grievances, Complaints or Suggestions should be discussed with the market manager or person in charge of the market that day. Failure to do so may result in limiting the City's ability to address any particular situation. Suggestions or criticism can also be mailed to the Issaquah Farmers Market, City of Issaquah, at P.O. Box 1307 Issaquah, Washington 98027-1307.

2017 Issaquah Farmers Market Rules, Regulations and Guidelines

THE MISSION of the Issaquah Farmers Market is to provide a dynamic Market to benefit the Greater Issaquah area, Community, Customers and Vendors.

RULES AND REGULATIONS

The Rules and Regulations of the Issaquah Farmers Market are established to maintain a standard that will make the market enjoyable and profitable to all. Vendors must read and abide by the annual rules and regulations of the market. Any vendor who does not follow the Rules and Regulations of IFM may be asked to leave and may lose any further privileges at the market.

- 1) The Issaquah Farmers Market is an outlet for farmers, crafters, food processors and food concessionaires to sell their wares directly to the public. All products must be grown, raised, produced and gathered by the vendor in the State of Washington.
- 2) The Issaquah Farmers Market is an outlet for local Non-Profit organizations to provide information to the public through displays, performances, handouts, personal contact and fundraising. Four stalls in the market will be set aside each week for Non-Profit Organizations. Please email issaquahfarmersmarket@issaquahwa.gov for more information on Non-Profit booths.
- 3) The Issaquah Farmers Market is an outlet for area musicians and artists to perform for the enjoyment of the public. An area will be set-aside at the market for this purpose. All performers and musicians must register each week to be a part of the market activities. Please email issaquahfarmersmarket@issaquahwa.gov for more information on Non-Profit booths.

PUBLIC RECORDS DISCLOSURE NOTICE

Signatory acknowledges that the City is an agency governed by the public records disclosure requirements set forth in Chapter 42.56 RCW; therefore, all documents/information furnished to the City may be subject to public disclosure requests – unless exempted by law.

MARKET GUIDELINES

Annual Membership Fee and Market Acceptance Policy

All vendors at the Issaquah Farmers Market must register annually with the market. The annual non-refundable membership fee for all non-profit organization is \$45, if the non-profit vendor is participating in the fundraising category. Non-profit organizations if advertising their product only and no sales are conducted will be exempt from the annual fee. Each non-profit organization must fill out an application and pay the annual fee as applicable to be considered eligible for a stall assignment.

Booth Fee Payment

Payments will only be accepted week to week for non-profit organizations conducting fundraising activities.

- **Week to week payments** will be charged at \$35 per 10'x10' stall. Fees are due weekly upon arrival and before booth set-up. Please have payment ready for the manager on duty at check-in. Any vendor that fails to pay the appropriate fee will not be allowed to participate in the market that day. Make all checks payable to the City of Issaquah. Checks or exact cash are preferred. Credit card / debit cards are not accepted. There is an ATM available in the barn lobby, if cash is needed.

NSF Fees

Any check written to the City of Issaquah that is returned from our bank as NSF ('Non Sufficient Funds') will be charged a \$40 NSF fee per check. The vendor will be notified of this status as soon as we are. The \$40 fee, plus original check amount, will need to be paid by cash or cashier's check within two weeks of notification, or upon re-entry to the market, whichever comes first. Payments by personal check will no longer be accepted after a check is returned as NSF.

Market Dates and Hours

The market will be open from 9:00 a.m. to 2:00 p.m. every Saturday beginning on May 6, 2017 thru September 30, 2017, rain or shine. Market staff will open for set-up at 6:30 a.m. Non-profit vendor set-up time begins at 7:30 a.m. All vendors must be ready for business by 9:00 a.m. each Saturday. The market opens at 9:00 a.m. Non-profit vendors have only 45 minutes for clean up from 2:00 – 2:45 p.m. At 3:00 p.m. sharp, all booths and product must be removed from the grounds to allow for incoming rental events.

Attendance

Non-profit vendors (501c3 qualified) will be restricted to five visits each season. Only 3 spaces per Saturday will be made available to Non-profits. Set-up location for these booths will be determined weekly by the market staff and are subject to change locations from week to week. Tents must be provided by the non-profit.

If a Non-Profit vendor is conducting a fundraising, they must also register and pay appropriate membership and daily booth fees. If a Non-Profit vendor is conducting a free service or advertising activity with no fundraising, they will not be charged the membership fee or the daily booth fee, although, as mentioned above, these spaces are limited and on an "as available" basis.

Pre and Post Hours Selling and \$25 Fines

Market selling hours are 9:00 a.m. to 2:00 p.m. Sales outside of these selling hours may be subject to a \$25 daily fine. There is a 15 minute grace period before 9 a.m. and after 2 p.m. to allow vendors to finish sales in progress.

Vendor Selection is at the discretion of the market manager and staff of the Issaquah Parks and Recreation Department. In an effort to control the quality and variety of items sold at the market, all new vendors must have their items juried (approved) by the vendor manager or market staff before acceptance and participation to the market.

All vendors will be selected on the basis of **quality of workmanship, means of creation, artistic resume, market enhancement** (how items will complement other vendors and the overall market environment), **skills needed to produce their products, and number of direct competitors already selling the same product**. The market manager has the right to refuse rental of stalls to any vendor who does not comply with the guidelines of the market.

Cancellations and Penalties – This policy will be enforced throughout the 2017 Market Season

Vendors will be charged and held responsible for paying the \$35 no show penalty fee for any weekly reservation previously made and not cancelled by 2:00 p.m. on Thursday. The \$35 no show penalty fee will be due at entry of the next attended market, in addition to the regular daily booth fee, before entry is permitted. If another market is not attended after the late cancellation is made, the vendor will be invoiced for balance due. All balances due must be paid within 30 days of market no show date.

****No shows hurt the credibility of the market and negatively affect all vendors. If this becomes a reoccurrence, this may be grounds for termination from the market.**

Crafters vs. Resellers

Vendors who are considered crafters at the Issaquah Farmers Market must hand make, grow, craft or process what they sell in the State of Washington. The maker of this product must also be the person onsite selling this product. We do not accept any resellers, franchisees, or products sold by independent consultants.

Product Quality

No used or antique items will be sold at the market. Antiques or used items may only be sold on labeled special event days designated by the market manager.

All products offered for sale at the Issaquah Farmers Market shall be subject to inspection and approval by the market manager. If any items are deemed not "fitting" or unsafe for family usage, or have not been grown or produced by the vendor, the vendor may be asked to remove such items. Vendors must comply with such requests or they will be asked to immediately leave the market.

Electrical Needs and Charges

Electricity to vendors outside is available upon request and prior approval. Requests for electrical access must be made at time of registration. The Electricity Information section of application must be completed and submitted at time of request. Outdoor booths requesting electrical access will be charged a \$100 non-refundable season access fee for their booth. Electricity outside is extremely limited in both quantity of receptacles and power. New vendors may not be eligible for electrical access and should be prepared to use an alternative source of power if necessary.

Stall Set-up

Vendors must first check-in with the Market Staff at the designated market entry location to receive their stall assignment and to pay their daily rental fees BEFORE SETTING UP. Violation of this request slows the market check-in process and may be grounds for removal from the market.

- Stall assignments are not permanent from week to week or throughout the duration of the season.
- Market manager has the right to rearrange stall layout and assignment at any time.
- Stall assignments will be made based on the Priority Point System and special accommodations required such as location of competitors, electrical needs, weather restraints, and booth configurations, etc.

Due to limited space, vendors are asked to unload their vehicles and park in the designated lot before unpacking boxes or beginning to arrange displays. Please be considerate of other vendors trying to unload. No vendor can begin set up after 8:30 a.m. **All vehicles must be moved from the market selling area by 8:45 a.m.** and parked in the parking garage (in designated vendor parking area), the lower lot general parking or in assigned handicapped / limited mobility spaces if approved. All exceptions to this policy must be approved in advance by the market manager

All vendors are required to remain at the market until closing. Vendors are not allowed to close down prior to the 2:00 p.m. closing time. Vendors will be allowed one hour for take down from 2 p.m. – 3 p.m.

Stall Take Down

At the end of the selling day, vendors are not to enter the market area with vehicles until all products have been boxed and ready to load. Vehicle entrance back into the market for tear-down will be monitored by market staff. **No vehicles shall move from lower lot parking spaces or enter the market area before 2:15 p.m. for the safety of customers.** All exceptions to this policy must be approved in advance by the market manager. All vendor material must be removed from the property at the end of each market day.

Stall Clean Up

Each vendor is responsible for cleaning his/her stall area and the immediate surrounding area. Dumpster, recycle and compost containers are available on-site. Recycle materials are to be placed in the appropriate blue containers and compost materials are to be placed in the appropriate green containers. No vendor material may be left at the market for the next week. The Issaquah Farmers Market is not responsible for any items left on the premises. Brooms, rakes, and tools needed for clean-up will be provided. Your cooperation is much appreciated. A cleaning fee will be assessed for any stalls that need to be cleaned at the end of the market day. On all Saturday evenings, the barn will be rented to private parties who will be arriving at 3:00 p.m. after the market closes. Vendor cooperation is needed to provide a quick turnaround.

Exiting Expectations

Vendors are expected to be packed and exiting from the facility and its grounds at 3:00 p.m. After every market, an incoming rental (most always a wedding) will be arriving on the property at 3:00 p.m. At this time, their paid rental begins and they will receive full access and right to the building, exterior grounds and parking lot. Market staff implement exiting strategies and monitoring each week to improve the traffic flow and safety during check out.

Daily Sales Report (Green Slip) – For Vendors Only

Each vendor will be asked to fill out and return a sales report at the end of each market day known as a “Green Slip”. This report will be used to track market volume and vendor attendance. Figures compiled will also be used in educating the public about the market and developing support from possible advertisers. Please fill out the report as accurately as possible. Please don’t just write the same number week after week. If a vendor feels uncomfortable counting money at the booth, please feel free to ask market staff for a private location inside the Barn. Vendors are to complete sales reports just prior to beginning stall take down. Notification of the next market a vendor will be attending, as well as booth location preferences can also be noted on the sales report. Vendors must turn in a Green Slip for market attendance to count towards the minimum attendance requirements.

Weather and Emergency Procedures

The Issaquah Farmers Market is a ‘Rain or Shine’ market every Saturday from 9 a.m. to 2 p.m. We do not close early because of weather. In the event that the market does need to close early, it will be done at the market manager’s discretion based on the guidelines they are given by management. If you have questions or would like to see a copy of these guidelines, please ask one of the market managers and they would be happy to share them with you.

Signage at Your Booth

All vendors must have a sign at their site. The sign must have the farm or business name, and contact person listed. Signs, banners, objects, and the like are to be attached **ONLY** to the vendors’ booth and may not exceed the size of the booth. A vendor may place (1) a-frame sign providing information about the business such as name, logo or menu directly in front of their booth.

Labeling of Products

Labels are required on all processed foods and must meet the following State requirements:

1. Product Name
2. Company Name
3. Address
4. Net weight in ounces and metric on bottom 1/3 of the label
5. Ingredients listed in decreasing order of predominance

Printed Material

Vendors are allowed to display in their booths only educational materials that directly relate to the products they are selling or materials related to the Issaquah Farmers Market. Vendors may not display products, materials or literature for other businesses, organizations or individuals (unless previously approved by market managers).

Amplified Music

Amplified music or paging systems cannot be used by vendors (unless previously approved by market managers).

Generators

A vendor requiring a generator may be accepted on a case by case basis. A limited number each season will be allowed and must be tested and pre-approved by the market managers.

Mobile Units

A limited number will be accepted each season and will only be allowed in pre-approved parking locations.

Temporary Structures and Tables

The market manager must approve any temporary structures or tables that are used by a vendor, including awnings or tarps. All temporary structures, tables, and equipment will be removed from the market site by the vendor responsible for their installation at the end of the selling day. All awning or tents must be secured with weighted objects, such as sandbags, only to prevent being blown away and to prevent damage to property or people. Staking into the ground and attaching to the barn's physical structure for ease and stability are not permitted.

All vendors are responsible for providing, maintaining and handling their own tables, awnings, equipment and product. Equipment (such as tables, tents, awnings, hand washing stations, etc.) is not provided by the market. Vendors are responsible for purchasing and transporting their own equipment. Storage of such equipment from week to week is not available at the Pickering Barn and not provided by the Issaquah Farmers Market.

Outside the facility

1. No stakes, poles, signs, etc. will be permitted to be adhered to the ground or the exterior of any building. Items may be adhered ONLY to the vendor's own equipment.
2. No affixing signage, banners, decorations, tarps or tents to the Barn's exterior, signage, trellis work or gazebo
3. Marking or painting on the asphalt or gravel is prohibited.
4. Burning barrels, fires, gas engines, lit candles or lamps are not allowed on the grounds.
5. All regular trash must be put inside the designated trash containers.
6. No dumping of chemicals, hay/straw, ashes, grease or foreign items allowed on the property.
7. No hay bales – unless sold as product and display has been approved by market manager
8. All awnings must be secured with proper weights to prevent blowing away and causing damage.
9. Broken glass must be placed in dumpster and not in regular trash containers.

A fee may be charged for any damage caused by a vendor to the facility, grounds or equipment.

Dress Code

All vendors are asked to wear clothes that are non-offensive and help promote a professional atmosphere at the market. On special events and occasions vendors may be asked to wear clothing to compliment the market theme.

Smoking Policy

No smoking or any kind of open flame by vendors or customers is allowed in vendor stall areas. Smoking in vendor booths inside or outside or in customer sales areas is not allowed.

In compliance with Washington State RCW 70.160 / Initiative 901...

"Smoking is prohibited within a presumptively reasonable minimum distance of twenty-five feet from entrances, exits, windows that open and ventilation intakes that serve an enclosed area where smoking is prohibited so as to ensure that tobacco smoke does not enter the area through entrances, exits, open windows, or other means."

Drug and Alcohol Possession Policy

The unlawful possession or use of illegal drugs, marijuana and/or alcohol on the market site will not be tolerated and subject to dismissal.

Health Practices

All vendors must adhere to sanitary procedures as outlined by the King County Public Health Department. All processed food vendors, concessioned foods and food samplers are responsible for obtaining proper health permits for their booth and each booth representative handling the food must have a current Food Handler's Permit. Any vendor found selling contaminated food products or produce shall be suspended from selling operations until satisfactory clearance has been obtained from the King County Health Department. Processed foods must be produced at an approved kitchen and proof of kitchen certification must be shown. Food labeling requirements also must be met. Food permits for potentially hazardous food items can only be obtained during the first 30 days of market operation, then only 2 weeks prior to your opening operation up until the half way date of the season.

For information on permits, registration and requirements please call our King County Public Health Department area representative, Leonard Winchester, at (206) 477-8130 or leonard.winchester@kingcounty.gov or visit their website: www.kingcounty.gov/healthservices/health/ehs/foodsafety/FoodBusiness.aspx

Please Note: the market manager will be inspecting the stalls of food concessionaires and samplers weekly to ensure that appropriate health practices are used at all times and that all permits are in evidence.

****If a vendor plans to sell one of the following items in 2017, please look at the King County Health Department website or contact Leonard for more information regarding permit changes: dairy, cut leafy greens, mushrooms, hard crusted breads, processed foods or concessioned foods (temp changes).**

Plastic Bag Ban and \$50 Fine

The Issaquah City Council adopted an ordinance that bans single-use, plastic carryout bags. Market vendors must comply with the plastic bag ban. Vendors may provide customers with any size paper bag, but the goal is to promote the use of reusable carryout bags. Small produce bags (the kind on the roll) are excluded from the ban. Plastic bags with handles are NOT allowed. Vendors violating the plastic bag ban will be **fined \$50 per day**. More information regarding the ordinance is available on the City of Issaquah website: <http://www.ci.issaquah.wa.us/index.aspx?NID=1170>

Compostable Serving Materials Law

The City of Issaquah adopted a new law on Food Service Packaging and Recycling on October 1, 2010. This law prohibits food service businesses (market vendors included) from using polystyrene foam (Styrofoam™) and non-recyclable or non-compostable packaging and service ware in connection with food service in Issaquah (including the Issaquah Farmers Market). Businesses must also participate in a commercial food waste recycling program or provide recycling and compost containers for consumers and ensure materials are recycled or composted (provided by Issaquah Farmers Market Management). Foods that are pre-packaged before they are received by a business are not included in this law.

Reducing garbage through compost and recycling can save businesses up to 50% or more on garbage service costs and can lead to devastating environment effects such as pollution and harm to animal life. A full list of compostable products is available online at www.cedar-grove.com/acceptable/Accepted%20List.asp or by calling (425) 837-3400.

Sampling Requirements

To sample at the market, the farmer/vendor must get approval from the market manager and have a working warm water hand washing stations in the booth set up PRIOR to sampling. The samples must be washed prior to sampling – use of IFM's on-site three compartment sink in Creamery and single rinse sink in Carriage House are available. Clean containers for transportation of the samples must always be used. Sneeze guards must be used and single service utensils, such as toothpicks, must be provided. Food can only be handled with tongs, bakery papers, scoops, or disposable rubber/plastic gloves. Bare hand contact with food is not allowed. Cutting implements are to be changed or washed every two hours with soap, running water and paper towels. Potentially hazardous food can be sampled only as long as they are kept in the correct hot or cold temperature zone, and utensils are used. Disposable serving utensils, like toothpicks, are to be used for the public. Food serving utensils need to be changed every two hours. Vendors should bring three sets for the five-hour market. ALL VENDORS must abide by this Washington State Department of Health requirement that hands will be washed with warm water TWICE after using the restroom (once at the restroom with warm water and then again at your hand wash station back at your booth) BEFORE handling products.

Wine and Beer Sampling & Selling

An additional addendum for eligible in-state wineries and/or breweries interested in selling and sampling bottled wine or beer of their own production at the farmers market will be provided to qualified vendors to comply with and sign at time of application. If you are applying under this category, please let our staff know this and the addendum will be provided to you upon request.

Food Bank Donations

Food bank donations from produce and food vendors will be accepted at the end of each market and picked up by a representative from the Issaquah Food Bank. Please notify market staff if a vendor/booth will have something to donate so proper procedures can be explained. In the event that a pick-up is not made, the donations will be composted.

Organic and Raw Milk Labeling

If a product is labeled "Organic," it must be certified as required by WSDA Organic Food Program. If a product is labeled "Certified Transitional," WSDA documentation must be available upon request. The word "organic" may not be used within one year prior to the harvest of the crop and the grower holds a certificate from the WSDA stating such – this is National Organic Compliance. Verbal or written declarations of organic status while selling at our market, not certified or verified will result in termination of vendor's ability to sell. When a farmer is selling both organic and non-organic produce at the same stand, the organic produce must be physically separated from the non-organic produce and signs must be clearly posted and labeled as to the growing method.

Raw Milk booths must post a consumer advisory warning at their booth and packaging must be labeled “raw milk.”

Unsprayed, Pesticide-Free or Low Spray

Vendors who make verbal and/or written declarations of “no or low-spray” or “pesticide free” products will need to provide a notarized affidavit describing how these procedures are followed or have certification as a “transitional” or “sustainable” process through an approved organization.

Weights and Measures

Vendors that sell products by weight shall provide their own scales, which must be “legal for trade” and are subject to inspection by the Department of Agriculture’s “Weights and Measures” Program. All scale displays must be readable and within easy sight of customers. All scales must be registered annually by the Washington State Department of Licensing.

Pricing of Goods to be Sold

Pricing of goods sold at the market and any applicable taxes are the sole responsibility of the individual vendor. The advertising of discounted prices and promoting of other non-market locations is not permitted on the market site. Produce vendors must have prices clearly displayed.

Advertising

The Issaquah Farmers Market advertising shall be the responsibility of Issaquah Parks & Recreation Department. Advertising of the market will be for the benefit of all vendors.

Performers and Busking

Issaquah Farmers Market will do its best to provide music to shop by and entertain the crowd with at each market. The market will schedule as many live performances as the budget will allow. Donated entertainment and sponsored entertainment is also accepted. Busking is allowed at no cost but the public cannot be charged to listen to or purchase from the buskers. Busking set-up cannot be in an area necessary for market use or set-up; but the market is not allowed to reject them. The market does not manage or arrange busking performances.

Expression Area

The market managers will establish a “Free Speech Area” for the purpose of providing one place at the market for members of the public to **display** information. This may be political advertising, petitions or the like. The designated expression area shall be marked by at least one sign containing the words “Free Speech Area”. Members of the public who wish to use the Farmers Market for expression activities may do so by setting up tables in this designated area to display information and by wearing buttons and personal advertising. Leafleting, organized protesting, non-scheduled entertainment (busking) cannot be managed or eliminated by market staff. Members of the public are allowed to walk through the market carrying a sign mounted on a non-pointed stake or leafleting. These signs may be no larger than 14” by 22” in area. Vendors will notify the onsite market manager if infractions to these rules are noted. All expression area participants must ensure that their information conforms to the State’s RCW49.60.030 Freedom from Discrimination law and that there is no wearing of or use of items that violate the anti-hate crime laws.

Animals in the Market and Service Animals Law

“NO DOGS / NO PETS” POLICY FOR ALL – SHOPPERS & VENDORS.

Proper signage will be displayed in multiple areas throughout each market and market staff will monitor and educate patrons of the policy.

NO PETS (ANIMAL, REPTILE, OR OTHER) will be allowed in the vendor areas, including stored in vehicles, or on Pickering Farm grounds.

The only exceptions to this policy are service animals. Previously approved and scheduled demonstrations involving animals by 4H or performing groups may be allowed and proper waiver will be completed prior to attending the market.

The distribution, sale or giving away of animals on the market site is forbidden.

Children of Vendors

Vendors please be responsible for your children if brought to the market. Vendors must closely supervise their children at all times – especially during set-up and tear-down when the market is especially dangerous due to moving vehicles. Small children should not be allowed to wander through the market without adult supervision. The indemnification agreement signed as part of this application holds the vendor completely responsible for any injuries, death or damages sustained by or created by the vendor’s children or other agents of the vendor; unless caused by the sole negligence of the City.

Non-Profits

We allow Non-Profits (with 501c3 status) the opportunity to attend the market. There are 3 spaces per market for this type of booth, and each Non-Profit is only allowed to attend up to five times in a season. We categorize Non-Profit booths into two types: Advertising, and Fundraising. For detailed information on how to become a Non-Profit booth, please visit our website: <http://issaquahwa.gov/market> and click on the 'For Non-Profit' link on the left side of the page. Or contact a Market Manager at (425) 837-3311 or via email at: issaquahfarmersmarket@issaquahwa.gov

Businesses/Corporations

We allow businesses the opportunity to attend the market as a business booth. There is only one space per market for this type of booth, and each business is only allowed to attend up to five times in a season. Business booths may not sell anything onsite (strictly a promotional booth only). For information on how to become a business booth, and the pricing associated, please visit our website: <http://issaquahwa.gov/market> and click on the 'For Business vendor' link on the left side of the page.
